Subject: Bid For Think Global AS

Dear Sirs,

The below bid is submitted on the conditions and obligations under the Asset Transfer Agreement e-mailed to ourselves on July 1st.

For Secured Assets: Euro 1 ('one euro')
For Unsecured Assets: NOK 1 ('one norwegian krone')

A written confirmation from Valmet and Ener1 could not be received due to their own direct or indirect participation in the bidding.

We would like to hereby emphasize and clarify an open point left in Section 7 of the Asset Transfer Agreement. Aligned with Section 7 we will offer employment to the [core engineering team] of the Debtor's former employees on approximately the same terms as they had prior to the commencement of the bankruptcy proceedings. A precise number/name-list cannot be provided within this bid since the list of the employees (schedule 7) was not included in the Asset Transfer Agreement e-mailed to ourselves on July 1st.
